The substandard property or substandard building(s) conditions or both indicated on the back of this form were observed on the subject property.

This "INFORMAL NOTICE" is provided to allow you to voluntarily abate (correct) the noted substandard conditions by April 20, 1998 without incurring any liability for this agency's cost of abatement. After you have abated (corrected) the substandard conditions, please contact your inspector so the work done may be inspected and the Code enforcement action closed by the deadline date. Please note that your property will be re-inspected on April 20, 1998, and if those substandard conditions are not abated, the Department of Public Works will commence formal Code enforcement action against the subject property to abate the nuisance. Upon completion of the County's Code enforcement action, you will be presented with an itemized statement of the County's costs and the right to a hearing and appeal. All of this agency's actual cost in this abatement proceeding shall be placed as a special assessment on the tax bill for the subject property pursuant to Section 25845 of the Government Code. These actual costs include, but are not limited to: the actual expenses and costs of the County in the preparation of notices, title searches, specifications and contracts, inspection of the work, the costs of posting and mailing notices, and any attorney's fees and court cost expended in the abatement of the nuisance. **It is in your financial interest to correct the violations as soon as possible.** For further information, please contact ~~Mr.~~ Ms. Elizabeth Garcia at the Building and Safety/Land Development District Office indicated below. We are seeking your cooperation in maintaining a healthy, safe, and pleasant property environment within the community.
